

As employers face challenges related to COVID-19, EagleOne is here to support you through this crisis. Our Covid-19 solutions include:

- Covid-19 Employee Advocacy Program
  - National clinical management program for any employee diagnosed with Covid19
- Pre shift health/temperature checks
- 24/7 Covid-19 intake and reporting hotline
- PPE Supplier Connections
  - 3-ply Masks
  - KN95 Masks
  - Face Shields
  - Hand Sanitizer
  - Touchless Thermometers
  - Latex, Vinyl and Nitrile Gloves

## EagleOne Results

These programs mitigate the risk of medical complications and the spread of Covid-19 while providing an independent medical resource for your employees to seek guidance and help.

We look forward to designing a program to provide value to your organization during this pandemic. Contact us today to discuss a customized solution to fit your needs.
