

Biography

Christopher M. Breck, CIC

Vice President, Healthcare Division

Chris Breck began working at Alper Services in 1989. Today, he manages the day-to-day insurance and business needs of many of Alper Services long-standing Clients. His primary responsibility involves the design, marketing and implementation of commercial property and casualty insurance programs. He specializes in delivering alternative risk solutions, including captive insurance programs.

Chris maintains a broad industry focus which includes manufacturing, service, retail, healthcare and non-profit companies. To keep on top of the latest industry trends, he remains an active member the Chicago Business Resource Group (CBRG).

Chris graduated from Illinois State University with a B.S. in Marketing/Business Administration. He has been a licensed insurance producer since 1992 and has maintained his status as a Certified Insurance Counselor since 1996.

Chris' Clients include Advocate Health Care Network, Lutheran Life Communities, and Little Sisters of the Poor. Alper Services is also a member of the Life Services Network, an association for long-term care providers.

“The key to controlling risk management costs is not only monitoring claims and exposures, but having the right experts to serve as your advocates.”

Chris Breck
