

Biography

Gregg M. Elstien

Vice President

Gregg has been serving the needs of Alper Clients since 1995. In his continuing efforts to hone his individual insurance expertise, Gregg has earned the coveted distinctions of both Certified Insurance Counselor (CIC) and Associate in Risk Management (ARM). To stay better connected with the business community he serves, Gregg maintains close ties with the Strategic Business Development Networking Group and remains an active member of the US Chamber of Commerce.

Always striving to make a positive impact on the lives of others, Gregg dedicates time and energy helping Social Service organizations who focus on Child Care to address their specific risk management challenges. Gregg currently acts as both professional advocate and risk management partner to the Child Care Association of Illinois. There he provides every member with his extensive cost reduction expertise while supporting the Indemnity Committee's goals to promote its efforts through the government. For many years, he has also served as both outside Risk Manager and volunteer to The Children's Place Association. Recently, Gregg became a Board Member at the Chicago Childrens Advocacy Center whose mission is to stop the suffering of abused children.

Gregg holds a B.S. in Public Relations with a minor in Sociology from Illinois State University.

“If I can bring my passion and strengths to help as many children as possible then I feel I have made a real difference that counts.”
