Aaron:

Thank you for your kind words; music to my ears. The main thing, of course, is that she provides real help to you in the long run, which I will monitor. Please feel free to call me any time I can help. I too hope we can provide exceptional value on a long-term basis.

Howie,

I ~~wanted~~ to drop you a line to let you know how the meeting with Helen went yesterday. I thought she was outstanding in the way that she presented herself and her ideas. I appreciated her insight, and ~~know that~~ we will be using her services in whatever way we can. Her level of professionalism in this field has never been seen by Accurate Perforating before and has really opened our eyes about the future of health care from both the company and employee's point of view.

Thanks for sending her in, she represents your company well.

Looking forward to an ongoing relationship,

Aaron Kamins
